

# Sickness & disease has ears .....

---

On the morrow when they were come from Bethany, Jesus was hungry: and seeing a fig tree afar off having leaves, he came, if perhaps he might find anything thereon: and when he came to it, he found nothing but leaves; for the time of figs was not yet.

And Jesus answered and said unto it:

“No man eat fruit of thee hereafter forever.”

The next day as they passed by, they saw the fig tree dried up from the roots.

Mark 11:12-14,20.

The fig tree did not have literal ears, but it ‘heard’ Jesus when he cursed it and it died.

The fig tree was a living thing.

Sicknesses and diseases are living things.

Even though they do not have physical ears like we see on the human body, sicknesses and diseases do hear your voice when you speak to them.

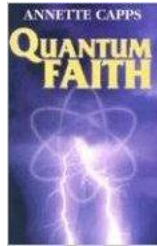

Charles Capps, known for his teaching on faith and confession gave a prophecy many years ago:

“Some things which have required faith to believe will no longer require faith, for it will be proven to be scientific fact.”

Quantum physics/mechanics takes us into the realm where ‘faith turns to sight’ and shows how that happens....scientifically! At the microscopic level of life - where sickness and disease live, things really are affected by words and even a look!

Here is a link to a PDF of Annette Capps book, "Quantum Faith". If you questioned the effect of words (confession) on matter, this will settle the issue for you, SCIENTIFICALLY, thus proving Bro. Capps statement to be true:

Jesus, in cursing the fig tree, 'saw' its ears. He knew the tree would 'hear' him. He was speaking to it in the Spirit.....and those words crossed the 'gulf fixed' between the spirit world and the natural world and affected the fig tree on the quantum level.

Is this not the meaning of Heb. 11:1?

Heb. 11:1: By faith we understand the world was created from what we can't see (through the spoken word).

This world was created, birthed from the world that we can't see with our physical eyes.

"In the beginning, God said.....and there was." A Spirit created the quantum realities that make up this world.

Father, help me declare to these people how to tap into Your Life.

Walking with the understand of which realm rules, guarantees receiving your reward.....divine health and healing when you need it.

All you must understand is

- who you are and your authority in Christ and
- who the sicknesses and diseases are in relationship to you.

Sicknesses and diseases are not life-giving to sustain health. You have a right to curse them.

When it comes to life threatening diseases, there is a spirit of death that must be made to obey, and it takes the authority if Christ in you, to make death submit.

- Sickneses and diseases have ears.
- Speak to both as Jesus spoke to the fig tree.
- Understand the effect that your words can have at the quantum level, the level at which sickness and disease operates in the human body.

Please read Annette's book and also there are Youtube videos by the same title in which she is teaching this wonderful truth. It will excite your spirit.

Please keep the title of this short article 'in your ears'....keep hearing it, especially hear it when symptoms or disease attacks your body.

I heard the Holy Spirit say this to me back in 2002 when I woke up one morning....I saw more clearly my relationship to sickness and disease even though I had been having faith and confession teaching for years. It became an essential part of my spiritual arsenal in defeating cancer. Cancer had ears. It heard me when I spoke.
