

"Making your mind think on what your spirit is seeing, is an operation of your 4th dimension."

By Ann Windsor

Alive in the Fourth Dimension

Genesis 1:26-27KJV

And God said, Let us make man in our image and after our likeness
So God created man in his own image, in the image of God created he him:
male and female created he them.

John 4:24:

God is a spirit

spirit: Greek #4751 pneuma

A person without a physical body: unoriginated, immutable, eternal and with self-sustained existence.

God made you in His image (a spirit)

You ARE a spirit

Ecclesiastes 3:11 says that when God made you:

"He set the world in your heart".

This sounds like it means this material world, but the Hebrew definitions of this word, 'world', carry mostly eternal meanings.

World: Hebrew #5769 'olam'

Outline of Biblical Usage [?]

- I.* long duration, antiquity, futurity, for ever, ever, everlasting, evermore, perpetual, old, ancient, world
 - A.* ancient time, long time (of past)
 - B.* (of future)
 - i.* for ever, always
 - ii.* continuous existence, perpetual
 - iii.* everlasting, indefinite or unending future, eternity

- So we could say, **God has set eternity in your heart - your spirit has access to the realm of eternity.**
- God's Word **comes to you** from the realm of eternity - **Eternity is coming into you** as you feed on the Word of God.

Eternal things are beyond the realm of the 5 senses.

The 5 senses (your physical body) see length, width and height.....3 dimensions in scientific or medical terms.

- Your spirit sees a 4th dimension and that is where the images come from that are cast on the screen of your mind when you read the Word.
- **Internally you have the capability of operating in the eternal.**

Brooding.....an operation of the Fourth Dimension

Going back to Genesis 1:2: The earth was formless and void *or* a waste and emptiness, and darkness was upon the face of the deep [primeval ocean that covered the unformed earth]. The Spirit of God was moving (hovering, brooding) over the face of the waters.

- The earth was without form and void - (like your body when sick)
- The Spirit of God (the Agent of creation) waited for instruction, brooding - hovering. (He is with you and IN you)
- When the Word of God came, the Spirit of God performed what was said. (Healing)

God made you a spirit **so you could** cooperate with the images He cast into you: you could brood on them, incubate them, speak them, see the Holy Spirit working with you performing them.

The picture upon your mind is you imagining yourself having what that Word has said.

Once you see in your mind the image the Word is creating, your mind must brood upon, incubate, and meditate the image cast into it by your spirit.

This image/picture is given to you like a precious egg that needs hatching. It is up to you to do the brooding: keeping it warm; keeping it alive.

It is good to interact with God's images cast upon your mind.

It is good to talk to them.

It is good to talk about them.

It is good to talk to your mind, adding detail: what you will do when you have what you see, etc.

You are a spirit....you were created to operate in the eternal realm with God and His Word and His Spirit.

You are His co-regent/co-creator.

You live in the 4th Dimension and hover over the other 3 Dimensions of the sense realm.

God the Spirit

You the spirit

Controlling the 3 dimensions (the natural) with the 4th dimension (the unseen/spiritual).

God is of the 4th dimension.

God's Word is of the 4th dimension.

Jesus came from and returned to the 4th Dimension.

The Holy Spirit is of the 4th dimension.

Faith is of the 4th dimension.

Divine healing is of the 4th dimension.

You are a spirit alive in the 4th dimension having a human experience in a 3-dimensional world created to be under your dominion.

John G. Lake quote from his sermon: Dominion of a Christian

“In the soul of him who truly knows God and has been in touch with the Lord as his Saviour, dominion over sin is the first thing the Christian soul becomes aware of, and in the truly god-enlightened soul, dominion over sickness likewise.

“Keep that clear-cut vivid and graphic picture in your mind day in and day out. Then the Holy Spirit CAN USE YOU, for His language is carried with a vision and dream. We know we are drawing the right kind of picture since we are coming to the foot of the Cross.”
