

Healing for Hemorrhage: genetic disorder, disease, accident

Genetic defects & other

EZEKIEL 16:6

This particular context is speaking of Jerusalem, how she came into existence under heathen peoples who cared nothing about taking care of her. I thought the context of 'birth' was interesting and to me regarding divine healing, this could be applied to genetic disorders at birth: hemophilia. Also, applied disease or accidents: Jerusalem had been in existence quite awhile when it passed into the hands of God's people under David. God 'passed by' and saw the destruction done to this chosen place under the years of the ungodly and though it was in the throes of destruction, (hemorrhaging to death): God said, "Live, I say unto you, Live!" And Jerusalem lives to this day.

Hemorrhaging through disease:

Here we have the story of the woman with the issue of blood.

Mark 5:25-34 King James Version

25 And a certain woman, which had an issue of blood twelve years,
26 And had suffered many things of many physicians, and had spent all that she had, and was nothing bettered, but rather grew worse,
27 When she had heard of Jesus, came in the press behind, and touched his garment.
28 For she said, If I may touch but his clothes, I shall be whole.
29 And straightway the fountain of her blood was dried up; and she felt in her body that she was healed of that plague.

Notice the duration of her hemorrhaging (length of time is irrelevant to God).

Notice what she said WITHIN herself (your words internally to yourself make all the difference)

Notice that she took action, (this is where, if you can do nothing else, you can take action BY SAYING WHAT YOU WANT NOT WHAT YOU HAVE.)

Hemorrhaging from accidents:

I have heard many incidents of people (the person in the accident if possible) or someone else for them, speaking this verse over and over

when a hemorrhage is taking place as the result of an accident and seeing the blood flow stop.

Declaration of Faith (you can amplify or reduce this, change the words to suit your situation)

Father, I thank You that in Ezekiel 16:6 you said: “When I saw you in your blood, I said “Live”. Father I thank you that You say the same about me in my condition because of the Healing You have provided from all human conditions through THE BLOOD of Jesus.

I command abnormal blood flow, hemorrhaging from birth or otherwise to stop in Jesus’ Name. I say to my body, “Body, LIVE, in the Name of Jesus!”

Though I have been thrashing around, flailing about and miserable in my own blood, I say: “Live, body! Grow up like a plant in the field...the planting of the Lord that He might be glorified.”

I praise You Father, I add my praise to my thanksgivings and declarations. I express my faith in praise and worship, knowing that healing is mine. Thank You, for the Cross of the Lord Jesus Christ by which I have been crucified to the world (and its genetic disorders, diseases, calamities) and the world to me. God forbid that I should glory in anything but THAT CROSS.

I thank You Father, that Your Power is in Your Word and follows Your Word. Your Power is AT WORK in me NOW accomplishing what You have sent Your Word forth to accomplish!

I rejoice in taking Your Medicine!
