Eternal Life - your new Code/DNA:

Affirmation of Faith: I have been begotten again, not of human seed which is perishable but by the imperishable, living and enduring Seed of God's Word. What makes that Word alive is 'Zoe', God's very nature. When I was born again, I came alive with that life. I already had human DNA, now I have Divine DNA. Zoe is my Divine DNA.

Eternal Life - Your New Rule: law, governing power, regime.

Affirmation of Faith: I have a new law as the 'ruler' over my life now. It is the Law of the Life Giving Spirit. It is the new law of my being. It is the new spiritual principle of life. It began its rule over me when I got into union with Christ at the time of salvation. At that moment I was lifted out of the vicious circle of sin and death. I was 'Emancipated' from sin and death, my old ruler! I was united with Life as my new ruler!

Eternal Life - Your New 'Standard': normal Life, typical Life, ordinary Life, Family stock, criteria, Flag/Standard on your ship of life.

Affirmation of Faith: When I was born again, I was born of New Stock....heavenly stock. I have a new family lineage now. My new family is a Royal Family, my Father God

is King. I have the Life that flows in my new family.....Zoe, Eternal Life. As I sail the seas of this natural life, I will let THAT LIFE be the flag of my 'ship of life'. I will let THAT LIFE be the standard under which I march into battle against the gates of hell. Not only have I been born of Heavenly Stock, but I have received Zoe as the standard-issue life which is given to everyone born into THAT FAMILY. The Heavenly "ordinary" kind of Life!

Eternal Life as a BELIEF: conviction, passion, assurance.

Affirmation of Faith: First John 5:11 & 12 tells me that if I have the Son, I have Zoe.....eternal life. I do have the Son, so I do have Zoe. I do have eternal life. That is how I got born again, I received Zoe. Even though I can't see that Life with my physical eyes, I have the conviction, the assurance, the certainty and the passion that is the proof of my possessing Zoe.

Eternal Life as an ATTITUDE: outlook, stance, mind-set.

Affirmation of faith: Receiving Zoe changed and changes the way I look at the world in which I live. The way I look at others. The way I approach life. I will no longer face life with fear of the future for Zoe has no fear in it. I will face life with Life.....now thanks be unto God Who always causes me to triumph through the Son and His Life in me.

Eternal Life as an OPINION: judgment, thought about, outlook

Affirmation of faith: I will have this attitude, opinion, judgment, thought toward my life in this world. Jesus died for me so that I don't have to live a self-centered life any longer, but now I can live a Christ-centered life. I will even look at others differently...spiritually. They either have Zoe or they don't. I will not discern or judge by the flesh or know anyone from a merely fleshly viewpoint. I did not know Christ in the days of His flesh. I have only known Him by the Spirit, so that is how I must discern others also. I must not even limit my knowledge of myself to merely human life, but Zoe life. Since I am in Christ, I have Zoe Life. I will come to know myself after the spirit more than after the flesh. In the spirit I am a new creation with Zoe Life. The old moral and spiritual condition that I had has passed away. In the real me, the spirit person, all things have become new.....with receiving Zoe.

Let's declare together:

“I have a new law as the ‘ruler’ over my life now. It is the Law of the Life Giving Spirit. It is the new law of my being. It is the new spiritual principle of life. It began its rule over me when I came into union with Christ at the time of salvation. That moment I was lifted out of the vicious circle of sin and spiritual death. I was ‘Emancipated’ from sin and spiritual death, my old ruler! I was united with Life as my new ruler! I have a new DNA, inward belief, standard, attitude, opinion. I will learn about this New Life and train myself to live it, in Jesus’ Name.”
