

Eternal Life The Present Possession of the Believer
Lesson 7 Affirmations (All E.L. Lessons on Youtube)
(These are a composite of the verses shown and versions of them.)

John 3:14-17; Hebrews 5:8-9

Affirmation of faith:

Before I was born again, I was alienated from the Zoe life of God. God sent Jesus into the world to bring me this life. When I received Jesus as my Savior, I received this life. No longer am I alienated from the life of God. I have become a partaker of that life. Jesus is the Source/Author of that life for me. Zoe is the quality of life that God has in Himself. As I let that life dominate me, it works out my eternal salvation.

Colossians 3:4

Affirmation of faith: Christ is my life. He sustains me spirit, mind, emotions, will and body. It is by His divine life that the very atoms of my body are held together. It is by His divine life that my soul is made suitable to fellowship with God. It is in His divine life that my spirit lives and moves and has its being.

John 6:63

Affirmation of Faith: The Words that came from the lips of Jesus Himself and were also given through the New Testament writers have eternal life in them. Those Words are containers that are full of Zoe. When I feast on those Words, the Zoe that is in them comes together with the Zoe in my spirit and I am built up on my most holy faith. Nowhere else are words found that contain this life.

John 5:24; 1 John 5:11-12

Affirmation of faith: At the moment of my new birth, I passed from spiritual death into spiritual life. The devil's hold on me was broken because what gave him claim to my life was eradicated.....spiritual death. I am a spirit. I was full of spiritual death but by believing on Christ, my spirit was emptied of death and filled with Zoe. I, the real me am free from the kingdom of darkness and its king. I am a citizen of the realm of life where Jesus is Lord. I have received the Son and therefore have received the Life that is in the Son. Eternal Life/Zoe is my actual present possession.

2 Corinthians 5:4; 2 Timothy 1:10-11

Affirmation of faith: Now my body is quickened with Zoe when I need healing. One day Zoe will change my mortal body into an immortal body. A body that will never be subject to death in any form again.
