

Divine Healing in Critical Cases

By Ann Windsor

Jesus said to me:

“With critical cases you have to hotwire healing.....”

I have many people contact me who are in very serious situations where their health is concerned....a lot of pain, mobility issues, little or no help from medical resources. People desperate and ready to give up the fight for health. They need immediate solutions and are not able for various reasons to put in hours of time listening to videos or reading materials on divine healing.

I asked the Lord, “Lord, what can be done to get these people?”

He said: “You have to hotwire healing!”

How?

“By speaking My Creative Word!”

I could share my own testimonies of healing by speaking God’s Word, but I want to give you some thoughts from the ‘master teacher’ on this subject: Charles Capps. These are some statements he made in his video: “How To Succeed When Others Fail” from a seminar entitled: “Doing the Sayings of Jesus”.

Luke 6: the man who does My sayings is like a man who built his house upon a rock:

47 Whosoever cometh to me, and heareth my sayings, and doeth them, I will shew you to whom he is like:

48 He is like a man who built a house, and dug deep, and laid the foundation on a rock: and when the flood arose, the stream beat vehemently upon that house, and could not shake it: for it was founded upon a rock.

49 But he that heareth, and doeth not, is like a man that without a foundation built a house upon the earth; against which the stream did beat vehemently, and immediately it fell; and the ruin of that house was great.

3 things from this portion of scripture that will cause you to be successful in life:

- 1) Come to Me
- 2) Hear My sayings
- 3) Do them

Two men **came** to Jesus, two men **heard** Jesus sayings, only one did them.v When storms came to the one who only came and heard, his house fell.

Mark 11:**21** And Peter calling to remembrance saith unto him, Master, behold, the fig tree which thou cursedst is withered away. **22** And Jesus answering saith unto them, Have faith in God. **23** For verily I say unto you, That whosoever shall **say** unto this mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall **believe** that those things which he **saith** shall come to pass; he shall have whatsoever he **saith**.

Jesus spoke as a prophet.
Make a decision to do what He said.

Personally, I **saw** when sick and deep in debt, that if I didn't do the sayings of Jesus I would fail in life. I was sick with a throat ulcer and thousands of dollars in debt. Someone gave me some tapes by Kenneth Hagin on faith and speaking God's Word.

My thoughts and words had been established in my current situations. It is harder to unlearn than to learn. I had to learn God's Word and unlearn my words.

The thought kept coming to me: "Things are getting worse!"
The Lord said to me: "Who said that they were?"
Well, I knew it wasn't God!

The Lord told me:

“Go through the Word of God and write down what I said about your circumstances and begin to confess it day after day.” (That’s how this little book, “God’s Creative Power for Healing” came into existence. From the Scriptures I looked up and wrote on a yellow piece of paper.)

Well, I walked the turn row in my field and confessed/declared these Scriptures day after day and throughout the day.

I ‘felt’ like I was lying because my circumstances hadn’t changed.

The Lord said to me: “Son, how can you lie saying what I said about you!”

After the first week I could tell a difference in my **attitude** about things.
(3 John 2 - you will prosper and be in health as your soul prospers)

I declared the Word 1,2,3 months. At the end of 3 months the ulcer was completely healed. Whenever it would try to come back after that, I would just speak and say: “Stop that, in the Name of Jesus!”

Did you know **you can change what you believe about your situation by what you say?**

You have been saying what you believe about it all along anyway, that you have this condition or that.

Important to know:

Others can spark you or inspire you in a certain direction, but **what you are saying yourself** is what you are going to **really believe** and the more you say it, the more you will believe it.

Change your speaking to change your believing.

Sow bountifully words of healing and health.

“I am going to continue saying until I get what God says I can have.”

Over the next year I confessed the Word of God daily. **I began to see things I said change situations.**

God's Word produces faith. Romans 10:17

When you hear you speak God's Word your faith is built.

As I spoke the Word, being fully persuaded came to me.

I remember when I became fully persuaded, a confidence entered me but I didn't have any more money than I had before.

The **working of the Word** comes when **you say it out loud.**

If you are sick, all the more reason to say it because you are **“calling for what you don't see”**.

Romans 4:17b God, who quickeneth the dead, and calleth those things which be not as though they were.

Children's Bible:

16 So **people receive God's promise by having faith.** This happens so that the promise can be a free gift. And if the promise is a free gift, then all of Abraham's children can have that promise. The promise is not only for those people that lived under the law of Moses. **It is for anyone who lives with faith like Abraham. He is the father of us all.** 17 As it is written in the Scriptures: “I am making you a father of many nations.” This is true **before God.** Abraham believed in God—the God who gives life to the dead and decides that things will happen that have not yet happened.

18 There was no hope that Abraham would have children. But Abraham believed God and continued hoping. And that is why he became the father of many nations. As God told him, “Your descendants will also be too many to count.” 19 Abraham was almost 100 years old, much past the age for having children. Also, Sarah could not have children. **Abraham thought about all this. But his faith in God did not become weak. 20 He never doubted that God would keep his promise. Abraham never stopped**

believing. He grew stronger in his faith and gave praise to God. 21
Abraham felt sure that God was able to do the thing that God promised.

Are you telling your body what to do? YES!
God's creative power operates through His Creative Word.
Spend as much time as possible 'hotwiring' healing by speaking TO
YOUR BODY this powerful creative Word.

Let's look at Hebrews 11:3....what came about by the Word of God being spoken:

By faith we understand that the world, the universe and the ages were framed and created, put in order and equipped for their intended purpose by the Word of God. (AMP)

....the visible came into existence from the invisible. (CEB)

....the universe was created by the spoken word of God. (CJB)

....that which is seen doesn't take its origin from things which appear.
(Darby)

....that from invisible things, the visible might be made. DRA

....what we see was made by something that can't be seen. (GNV)

....time was created by the Word of God (ISV)

....by faith our minds accept as fact that the world has come into being through principles which are invisible. (Phillips)

....everything we see now was fashioned. (Voice)

....the ages have been prepared by the saying of God. (YLT)
