

Capps: How to succeed when others fail Notes Pt. 1
(from seminar, "Doing The Sayings of Jesus")

In Luke 6:47 Jesus is talking about the life of a 'man who does my sayings'. (house built on a rock)

3 things that will cause you to be successful in life:

Come to Me.

Hear My sayings.

DO them.

EVERYTHING JESUS DID HE BASED ON THE WORD OF GOD.

Don't do something based on a testimony. Testimonies are windows people see through.

Luke 6:46-49: two men heard, **ONLY ONE DID.**

When storms came to the one who **ONLY HEARD**, his house (life) fell.

Walking in forgiveness important to receiving healing.

Jesus spoke as a prophet - make a decision to **DO** what Jesus said.

“I saw that if I didn’t do the sayings of Jesus I would fail in life - I was sick with a throat ulcer and thousands of dollars in debt. I was a traditional church goer then someone gave me two cassettes: Redeemed From The Curse & one on confession, Mark 11:23&24.

It is harder to unlearn than learn. (It takes the washing of the water of the Word, Eph. 5:26/AW)

I would say, “things are getting worse”. Then I heard: “Who said that?” Well, I knew it wasn’t God!

What you SAY MUST AGREE WITH WHAT YOU PRAY or things will get worse.

“Go through the Word of God & write down what I said about your circumstances and begin to confess it day after day.” (That’s how this little book, “God Creative Power” got started, on a yellow legal pad.

I walked the turn row in my field and confessed the Word of God. At first I felt like I was lying. God said to me: “Son, how can you be lying saying what I said about you!”

Why people fail: they ‘try’ they don’t ‘do’!

I confessed these scriptures 1,2,3 months. After the first week I could tell a difference in my ATTITUDE. (His soul began to prosper, 3 John 2).

YOU can CHANGE what you BELIEVE by what you SAY. You have been saying what you believe all along -

Others can spark you in a direction but what YOU are saying YOURSELF is what YOU are going to BELIEVE, and the more you say it, the more you will believe it.

Sow bountifully. I had done that. How? Words.

After 3 months I began to see health returning, the ulcer disappeared. It tried to come back 2 or 3 times and I would slap myself and say, "STOP THAT IN THE NAME OF JESUS!"

I am going to continue saying until I get what God says I can have!

Luke 17:5: Lord, increase our faith.

It begins by saying.

Faith is a seed.

Words are seeds.

The seed has faith in the ability of the DNA on the inside of it.

God's Word has the DNA of God. It is the building blocks of life.

Seed obeys the farmer that plants it.

A farmer doesn't pray over his seed corn - the corn has in it the DNA to reproduce itself!

In Luke 17:6 Jesus said: "If you have faith as a seed (as your seed) YOU WOULD SAY!"

Faith IS a seed.

& Faith IN THE SEED.

(through 27:29 min. approx)

What goes through your mind is SELF TALK.

"Take no thought BY SAYING", Matthew 6:31

I am going to confess the Word until faith comes.

(referring to Parable of the Sower: Mark 4)

Vs. 17: those who hear but have no root in themselves.

Vs. 18: don't let cares enter in. How do they? You SAY THEM.

Talk to pieces of paper, the ground, your body: "Listen to me! I'm talking to you! Jesus said you would obey me!"

When your carnal mind starts talking to you, most of us think its the devil.

34:25: Learn to release your faith in laughter - not tears of pity or sorrow.

36:43: I said: "Money is not a problem!" (I wanted to buy a farm and didn't have any. It just came out of my spirit. I bought that farm as a result of soaking in God's Word.)

37:21: I know beyond all doubt.

40:41: Jesus' mother at wedding feast: "Whatever he says to you, DO IT!" (That's the way you get a miracle)

42:17 John Osteen "There's A Miracle in Your Mouth"

42:31 Get God's Word inside you until you are fully persuaded and to the point I can believe what I'm saying will come to pass.
