

You are a speaking spirit - your dominion has been restored

Life of Wellness Study 8.17.23

To have wellness you must accept what the Bible says about you as a human being.

James 1:25:

However, the person who continues to study God's perfect laws that make people free and who remains committed to them will be blessed. People like that don't merely listen and forget; they actually do what God's laws say. GW

Let us make man in our image
Let them have dominion

God is a spirit
He used words to create matter

He made you in His image
You are a speaking spirit
You use words to have dominion over matter

The Life of God that is in you, you the spirit, is released/takes dominion through speaking.

Dominion for life or death.

You are a speaking spirit.
Dominion has been restored to you.
You are in Christ.

Christ has dominion over all creation.

Fig tree, blind eyes, dead bodies, loaves & fishes, wind & waves

What did we see in the life of Jesus? Dominion

Law of liberty -

But whoso looketh into the perfect law of liberty and continueth therein, he being not a forgetful hearer but a doer of the work, this man shall be blessed in his deed. James 1:25

The Law of Liberty shows you that you have had the dominion Adam lost restored.

Whatever you bind & loose.

New Living Translation

“I tell you the truth, whatever you forbid on earth will be forbidden in heaven, and whatever you permit on earth will be permitted in heaven.

Thy Kingdom come thy will be done on earth as it is in heaven.....Mt. 6:10

Reigning in life:

KJ21

For if by one man's offense death reigned by one, much more those who receive abundance of grace and the gift of righteousness shall reign in life by One, Jesus Christ.

How? By Words

If you shall say.....

you can have whatsoever you say....

By thy words

Mt. 12

34-37 “You serpent's brood, how can you say anything good out of your evil hearts? For a man's words depend on what fills his heart. A good man gives out good—from the goodness stored in his heart; a bad man gives out evil—from his store of evil. I tell you that men will have to answer at the day of judgment for every careless word they utter—for it is your words that will acquit you, and your words that will condemn you.”

Prov. 18:21

Death and life are in the power of the tongue, And those who love it and indulge it will eat its fruit and bear the consequences of their words.

John 1:1

In the beginning was the word

Matthew 8:8-13: speak the word only and my servant shall be healed

The sower sows the Word.....Jesus used words to bring the Kingdom.

God is a spirit

He used words to create matter

He made you in His image

You are a speaking spirit

You use words to have dominion over matter

The Life of God that is in you, you the spirit, is released/takes dominion through speaking.

Dominion for life or death.

You are a speaking spirit.

Dominion has been restored to you.

You are in Christ.

This is truth

This is the perfect law of liberty

This you must look at continually

You are a speaking spirit - your dominion has been restored

To have wellness you must accept what the Bible says about you as a human being.

James 1:25:

However, the person who continues to study God's perfect laws that make people free and who remains committed to them will be blessed. People like that don't merely listen and forget; they actually do what God's laws say. GW

To have wellness you have to speak words, work with words, use words and take dominion.

Be who you are....a person created for dominion over creation.

Your body is part of creation - it is earthy.

You are a speaking spirit - you are heavenly.

You the heavenly must take dominion over the earthy

How?

God has only given us one way: words.

We are in His image - that is how he did it.

We must look into the perfect law of liberty that sets us free from the law of sin and death, and burn that truth in us: we are a speaking spirit, we reign in life NOW through being a new creation and using God's Words over the 'matter' in our lives.

You want to be healed? Stop loving your tongue so much you let it say anything it wants.

Take your position as the head and not the tail, above and not beneath.

Look continually at the truth:

you are a spirit

you are a speaking spirit

you have had dominion restored

you reign in life through words

you have what YOU say.

“Say what you WANT NOT WHAT YOU HAVE.”

Make a sign: “I have what I say”....

look at it, think about why it is true.

Speak from that reality.

Example:

Barry Bennett (yesterday)

I refuse poverty of mind, poverty of emotions, poverty of spirit, poverty in my relationships, and poverty in my resources.

I am blessed in my going out and in my coming in. I am blessed in the city and in the country. He is making all grace abound toward me. I have God's abundance for every good work.
