As I stayed in the Word my mind began to think properly

I read the Word, went to Church & started helping people - it kept my mind off of ME.

I began to discern what the Word said.

Andrew gave me a foundation: What God is like and what He provided for us on the Cross.

While I was listening, I still had a lot of mental stress - I couldn't seem to get freedom in my mind.

The Word was renewing my mind even though it was hard for me to stay focused on it. Listening to Youtube was easy but I would also go to the Bible and look at Scriptures.

For me that was a very hard battle - mind/negative thoughts, fear.
Once I really just stood strong & firm in believing.

I had all kinds of unbelief to counteract so I kept listening & listening.
I was being transformed by renewing my mind.

We have our own way of **thinking** or we believe what other people tell us.

As I did that(started talking to God about why I wasn't getting healed), my **emotions** & **mind** were released from all that pressure and the Power of God moved in me more.

All my **focus** went on God & my relationship with Him.
I WASN'T LOOKING AT MY SYMPTOMS ANY MORE. I stayed so **focused** on Jesus, I didn't realize my symptoms were fading away.
